## DETAILED ACTION

### ***Response to Amendment***

The reply filed on 2/1/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

1. The Examiner thanks the Applicants for providing User manual for version 5 of WaterCAD as well as items 2-8 of the documentation required on page 3 of the Office Action dated 10/17/05 .
2. The Response to Office Action however seems to inadvertently omit the required user manuals for versions 1 to 4 of WaterCAD software, which is developed by the Assignee.

#### **MPEP 704.12(b) [R-3] What Constitutes a Complete Reply recites**

A complete reply to a 37 CFR 1.105 requirement is a reply to each enumerated requirement for information giving either the information required or a statement that the information required to be submitted is unknown and/or is not readily available to the party or parties from which it was requested. There is no requirement for the applicant to show that the required information was not, in fact, readily attainable, but applicant is required to make a good faith attempt to obtain the information and to make a reasonable inquiry once the information is requested.

3. Furthermore, the Response to Office Action fails to reply to each enumerated requirement for information as required by MPEP 704.12(b).

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
